Resume – Cybersecurity (Trainee, ATS)

Summary

Trainee profile targeting cybersecurity roles with a strong systems and access-control foundation. Hands-on experience managing users/roles/permissions (RBAC) and infrastructure troubleshooting. Comfortable documenting changes, auditing configurations and applying secrets-management best practices.

Skills

- **IAM / Access:** RBAC, user/role/permission management, least-privilege mindset (hands-on)
- **Systems:** Linux (Ubuntu/CentOS), troubleshooting, networking fundamentals (DNS/DHCP/HTTP), basic hardening
- **Basic AppSec:** secrets management (.env), repo sanitization, secure configuration hygiene
- **Tooling:** Git/GitHub, Docker (basic), scripting (basic), technical documentation

Relevant experience

Managing Partner / Systems Operations (Hotel OIKOS) — Ushuaia, Argentina — Aug 2020 – Dec 2025 (owner/manager) · Aug 2018 – Aug 2020 (IT support & infrastructure)

- Access and role management in SaaS platforms (Cloudbeds): users, permissions and credentials.
- Channel integrations (Booking/Expedia) and operational configuration (pricing/availability/rules).
- Designed and deployed a mesh Wi■Fi network (router + 3 APs) across 2 floors / 16 rooms + common areas; troubleshooting.
- IT support: PC/services maintenance; issue resolution and documentation.

Projects (GitHub)

- **Airport Management Database** — RBAC + audit fields; Docker reproducible setup and smoke tests.
- **La Montaña Printing Management Web** — auth/session patterns; separating secrets from code (.env templates).
- **Docker-Status-Buttons** — operational scripting on GNOME for Docker status visibility.

Education

Higher Technical Degree in Systems Analysis — Escuela Da Vinci (Buenos Aires) · In progress (expected graduation 12/2026) · GPA: 9.8/10

Additional training

- Continuous learning focused on operational security practices (runbooks, hardening, access control).

Languages

- Spanish: native
- English: B2 (advanced conversational; comfortable interviewing in English)

Additional info

- Availability: immediate · Remote (preferred) · Open to relocation (LatAm/EU) · Driver's license and own vehicle · Polish citizenship (passport renewal in progress)
